COLLECTION DE TISSU 2020 - 1  
by Sophie-Agathe Remy

# INSPIRATION

The background of the entire page is a vibrant, stylized illustration of a tropical jungle. It features various types of green leaves, including large monstera leaves with characteristic holes and smaller, pointed leaves. Several leopards with brown and black spotted patterns are depicted in various poses, some walking and others partially visible. A prominent red, fan-shaped plant with many thin, radiating spikes is also present. The overall style is bold and artistic, with a rich color palette of greens, browns, and reds.

Le catalogue tissu 2020 met à nouveau en lumière l'univers artistique de la designer textile, créatrice de la marque Zéphyr & Co, Sophie-Agathe Remy. La nouvelle collection présente une large palette de styles: c'est un mélange de motifs figuratifs, géométriques, floraux et toujours d'une grande richesse chromatique. Les nouveaux territoires d'expression du catalogue 2020 - 1 sont des décors chargés d'émotions, d'une grande modernité.

Zéphyr & Co est né en 2011, est devenu une SARL en 2013. Les matières proposées sont principalement un velours polyester, du tissu non-feu M1, de l'outdoor et du coton. Les collections de tissu imaginés par Sophie-Agathe Remy pour Zéphyr & Co se déclinent pour toute la décoration de la maison: coussins, sièges, rideaux, têtes de lit, poufs, plaids, luminaires..

La conception et la production sont Françaises souvent réalisés en série limitée. Bienvenue dans son univers!
